4. Add his stripes, T-shirt, arms and the Z on the front of his shirt. Don't forget the triangle for his teeth!

5. Now use a pen and go over your pencil lines. Don't forget to add his tail as shown!

5. The last step is to colour his shirt, stripes, hooves and ears black. Then, shade his nose a bit. And you're all done!

Use a pencil and have an eraser handy!

1. Draw an upside-down triangle with round corners.

5. Erase the overlapping lines as shown. Use a pen and start inking his outline, using a broken line instead of a straight one to show that he is furry.

6. Go over your pencil lines with pen. Add his nose, mouth and T-shirt as shown. You can change his expression if you like!

7. The last step is to add stripes to his tail. Then colour in the triangle of his snout, his arms and legs. And you're all done!
